Loan Approval Confirmation

Dear Test One

Congratulations! Your application for a relocation student loan with The International Scholars Program has been approved.

I am confirming that the approved loan amount is **USD 0** This loan will be finalized upon verification of your visa approval.

The loan covers all the expenses that you incurred in the relocation process to America, less the amount you contributed to the program. Any pocket money available after deducting all the expenses will be disbursed directly to your US bank account. Should you require any further information, please feel free to contact our team or submit a ticket through your student portal.

**Sincerely,**

**Bob Mwit**
